Dear Dr. Shahzeidi:

Committees play an integral role in supporting the mission and advancing the goals of the American Academy of Sleep Medicine (AASM), and volunteer committee members are central to these efforts. The Board of Directors sincerely appreciates your service as a member of the Coding and Compliance Committee and your commitment to the field of sleep medicine. Your term on the Coding and Compliance Committee will conclude at the SLEEP 2015 meeting in June.

During your term, the significant contributions you made, the valuable input you provided and the responsibilities you assumed enabled the committee to complete important projects that have benefitted your colleagues and helped advance the sleep medicine field. Enclosed is a certificate as a token of our thanks.

On behalf of the Board of Directors, I hope that you found this experience rewarding personally and enriching professionally. I invite you to pursue your professional interests through membership with a committee or task force in the future and encourage your continued involvement with the AASM.

I look forward to seeing you in Seattle at SLEEP 2015.

Sincerely,

Timothy Morgenthaler, MD
President
